**TVET & ONLINE COURSES**

- **Years 9 & 10 External Courses:** Parents / Guardians are responsible to pay the full fee of any external course taken by a Year 9 or Year 10 Student. The fees will be charged separately by the School.
- **Years 11 & 12 External Courses:** Parents / Guardians are responsible to pay the full fee up front for the Year 11 Online Course. Wyong Christian Community School will then cover the Year 12 Online Course fees in the following year. These fees vary depending on the course selected. Registration for these courses will be dependent on all fees being paid in advance.
- **Year 12 Fees:** Are spread over the four terms in 2019, so please be aware that you will be **billed for four terms**.
- **TVET Courses:** Parents / Guardian are responsible for their portion of the fees incurred each year of the course. Both the Government and the School contribute to the cost of the course, Government in 2018 paid \$670 and the School contributed \$500, the remaining balance being paid by the family. Please note that the bill for these courses comes through to the school in late October each year, so payment will be required by November.

*Please contact Grant Kayes in regard to your TVET or Online course fees.*
