TVET & ONLINE COURSES

- **Years 9 & 10 External Courses:** Parents / Guardians are responsible to pay the full fee of any external course taken by a Year 9 or Year 10 Student. The fees will be charged separately by the School.
- **Years 11 & 12 External Courses:** Parents / Guardians are responsible to pay the full fee up front for the Year 11 Online Course. Wyong Christian Community School will then cover the Year 12 Online Course fees in the following year. These fees vary depending on the course selected.
- **Registration: for any external courses will be dependent on all School fees being paid in advance.**
- **Year 12 Fees:** Are spread over the four terms in 2022, so please be aware that you will be **billed for four terms**.
- **TVET Courses:** Parents / Guardian are responsible for their portion of the fees incurred each year of the course. Both the Government and the School contribute to the cost of the course, the Government in 2021 paid \$800 and the School contributed \$500, the remaining balance being paid by the family. Please note that the bill for these courses comes through to the school in late October each year, so payment will be required by November.

Please contact Grant Kayes in regard to your TVET or Online course fees.

Parents should note that the School Policy states "that parents are required to give the School, a full term's notice in writing, of the intention to withdraw a student/s. **Failure to give such notice will incur a full term's fees**".

PERSONAL LAPTOP PROGRAM PLP - SECONDARY STUDENTS 7-12

In order to enhance the learning environment for our students, we have introduced a PLP Program. Students in Secondary School are encouraged to take part in the scheme. The uptake of laptops for Year 7, 2022 has been significant, with close to 80% of families participating in the program. **A prepayment plan is available for 2023**, enabling families to pay from February through till October 2022, delivery due in the first two weeks of December 2022 (in time for Christmas). Please contact Grant Kayes (Business Manager) for more details on the payment plan or Lance Gierhart (Director of IT) for the specifications of the machine and warranties etc.

TAX DEDUCTIBLE DONATIONS

We want to see our school flourish in all areas, including the ongoing growth and development of our buildings and grounds. One way that families may consider helping, is to make a voluntary donation to our school's tax-deductible building fund. Tuition fees on their own are insufficient to cover all capital works projects, but this is one way in which you may be able to assist the school community. If you would like to make-a-donation, please contact our accounts team or our Business Manager, Grant Kayes, for further information.
